GETTING READY FOR THE KING

MATTHEW 1:18-25

September 13, 2026

Jesus coming to earth changed history, changed eternity, but never forget that Jesus coming to earth changed the lives of individuals.

God's plan doesn't look like ours. It is God's plan!

Getting Ready for the King...

- 1) Mary's PLANS were completely CHANGED.
- 2) Joseph was asked to TRUST GOD.
- 3) What PEOPLE THOUGHT become much less important than what GOD WANTED.
- 4) Being involved in the Plan of God is always BIGGER than Ourselves. And bigger than what we See.
- 5) Everything CHANGED! Jesus came to SAVE!
- 6) The King who came is "GOD WITH US."

Are we ready for the king to take over our lives?

What would that look like if Jesus was truly our king?
