We must try to Understand, a feast we don't Understand.

Lev. 23

- ✓ The first and the last day of the festival will be Sabbath days, complete rest.
- ✓ Celebrate with joy before the Lord for 7 days.
- ✓ For 7 days you live outside in little shelters, this will remind the newer generations (young people) that God made their ancestors live in shelters when He rescued them from the land of Egypt.

What's the big deal about water?

Why would Jesus Yell?

- Water gives LIFE, without it we DIE.
- When you find WATER, you build your entire LIFE around the source of water. You stay near the water; you drink from the water.
- When we have LIFE GIVING water we are to SHARE it with others.
- Jesus came to give EVERYONE living water, each person must choose to accept it from Jesus.
